What's new: The latest restaurant-of-the-moment is Linq, which offers both an international-and-seafood menu and lots of star-sighting opportunities, from Oliver Stone to Regis Philbin. Weeknights are fair

game for reservations, but booking a table on the weekend is still a long shot (\$75 for two; 8338 W. 3rd St.; 323-655-4555).
