

Rooms of Distinction

25 Degrees

Amanda Demme's Tropicana Bar was just the beginning. Next month Hollywood's reascent Roosevelt Hotel adds to its hip factor with ubiquitous Left Coast designer Dodd Mitchell's neo-Victorian burger bordello, 25 Degrees. The space isn't done yet, but the rendering at left gives us the feeling red velvet might be involved.

Opening: November

Who you'll see there: Munchie-afflicted Tropicana crowd, bulimic starlets

7000 Hollywood Blvd, L.A., (323) 962-0326
