*she's* not

the least bit camera shy. after all she's grown up on set (*the piano* and *holy smoke*, to name a few), and she felt right at home at 14th street's new lotus offshoot -

**14th street's  
new lotus offshoot -  
double seven.**

but not too cool under **poser** her like couldn't have been happier to get back into her jeans and flips.

with her big almond shaped eyes (thanks mom), and an attitude she could only have learned on the streets of tribecca (thanks dad), she's a star in the making and for the taking.
