COOL VENUE  
CABO COMMITMENT

Going to the chapel gets even better at the glamorous five-story *El Corazon* in Los Cabos, Mexico. Designed by renowned California architect Dodd Mitchell, the recently opened 332-villa **CABO AZUL RESORT & SPA** features an open-air edifice with a central fountain, fire torches jutting out from limestone walls, rows of intricately carved dark wooden pews, a heart-shaped candelabra and views of the Sea of Cortez. After exchanging vows, retreat to the oceanfront deck, where up to 180 guests can enjoy a taco and tequila tasting. During your stay, live it up in one- to three-bedroom villas, complete with king-size beds, queen sleeper sofas, fully equipped kitchens and in-room Jacuzzi tubs. Wedding packages start at \$1,950 and include the ceremony, photography, flowers and a dinner for two. — *Carole Dixon*
